

Call for Nominations for Officers and Executive Committee Members

33rd CODATA General Assembly, 27-28 October 2023, Salzburg, Austria

Dear CODATA Member Delegates and Task Group Members, Greetings!

As Chair of the CODATA Nominating Committee for the [2023 General Assembly](#), I kindly request you to complete the online Nomination Form in order to propose candidates for the following positions:

- CODATA President (1 position, to serve 2023-2027)
- CODATA Vice-Presidents (up to 2 positions, to serve 2023-2027)
- Ordinary Member (10 positions, to serve 2023-2025)

Nominations and elections are an important opportunity for CODATA Members and Task Groups to influence the governance and strategic direction of the organisation. Please consider carefully your nominees and contribute actively to this process.

Nominations may be made by all CODATA Members (National, Institutional, ISC Bodies, Affiliate and Partner Members) as well as Task Groups.

The deadline for nominations is **27 June 2023**.

By **1 September 2023**, the Nominating Committee will distribute to CODATA members a Balanced Slate of candidates for election to the Offices of President, Vice-President(s) and ten places on the Executive Committee. There must be at least one candidate for each post. The Nominating Committee is authorised to solicit additional nominations to ensure that there are sufficient candidates for all positions.

It is the Nominating Committee's responsibility to ensure that all candidates meet the eligibility requirements.

Nominations should be submitted using the online form available at CODATA website.

Yours sincerely,

Professor Geoffrey Boulton, CODATA Past-President and Chair of the Nominating Committee
